

THE NEW QUORNDON SHAKESPEARE COMPANY

AIMS AND OBJECTIVES

1. AIMS

- to present quality, entertaining productions of Shakespeare and other classic works
- to make classic theatre affordable and accessible for local people from diverse backgrounds to attend and/or participate in
- to present educational workshops and to link productions and activities to the school curriculum and to support other community groups and events
- to present at least one large scale production (Shakespeare) a year with the possibility of other smaller productions of Shakespeare, other classic plays or events
- to provide social opportunities for the group and to look at opportunities for skills training and further education
- to be financially self-supporting

2. OBJECTIVES

- The New Quorndon Shakespeare Company will aim for the highest possible production standards
- Membership will be open to all and new members actively encouraged
- The New Quorndon Shakespeare Company will operate an Equal Opportunities policy
- Links with schools, colleges, universities, community centres, village halls and other community organisations will be sought and developed
